"The earth is the very quintessence of the human condition"

Hannah Arendt

Speakers and contributors include:

Dr. Constanza Kaliks (Goetheanum), Guillermo Scallan (Avina Foundation, Chile), Prof. Dr. Jost Schieren (Alanus University, Germany), Patricia Roth (worker at the Secretary for Environment in Acre, Brazil), Marco Aurelio Ancaten Yañez (Brazil), Johannes Kronenberg (Goetheanum), Anastasia Laukkanen (director Ecocup Russia), Joan Melé (founder Triodos Bank Spain), Brazilian-German singer Bê Ignacio.

February Days 2020: This winter we will focus on questions of the complex climate crises and the effects on our home planet, our social environment and human built structures, agreements and habits. This undoubtedly asks each human being to awake and become conscious of deep considerations about freedom, responsibility and destiny. The February Days is the Youth Section's winter conference where

we deepen our study of relevant topics through Anthroposophy.

The program will consist of lectures, workshops, dialogue, a panel, a film screening, storytelling, performance and night cafes.
